Aimpoint relocates US corporate headquarters to Manassas, Virginia

Manassas, VA – April 18, 2016 – Aimpoint, the originator and worldwide leader in reflex sighting technology, and manufacturer of electronic fire control systems, has announced the relocation of its US headquarters to Manassas, Virginia.

Following more than ten years based in Chantilly, Virginia, continued growth of the company's sales to the military, law enforcement, and commercial markets has created a need for additional space and capabilities.

"This move will allow Aimpoint to better meet the needs of our customers," said Brian Lisankie, President of Aimpoint Inc. "This new, state of the art location provides a considerable increase in both office and warehouse space, and provides everything we need in order to implement improvements in order fulfillment and electronic commerce. Being located directly on the Route 66 corridor gives us quick and easy access to Washington DC, as well as Washington Dulles Airport, and is big enough to accommodate our growth requirements into the future."

The company's new address is: Aimpoint Inc, 7309 Gateway Court, Manassas, VA 20109. Aimpoint Inc is a wholly owned subsidiary of Aimpoint Holding Inc. For more information, please visit the company's webpage at: aimpoint.com.
